

EPC Solenoid Harness Adapter

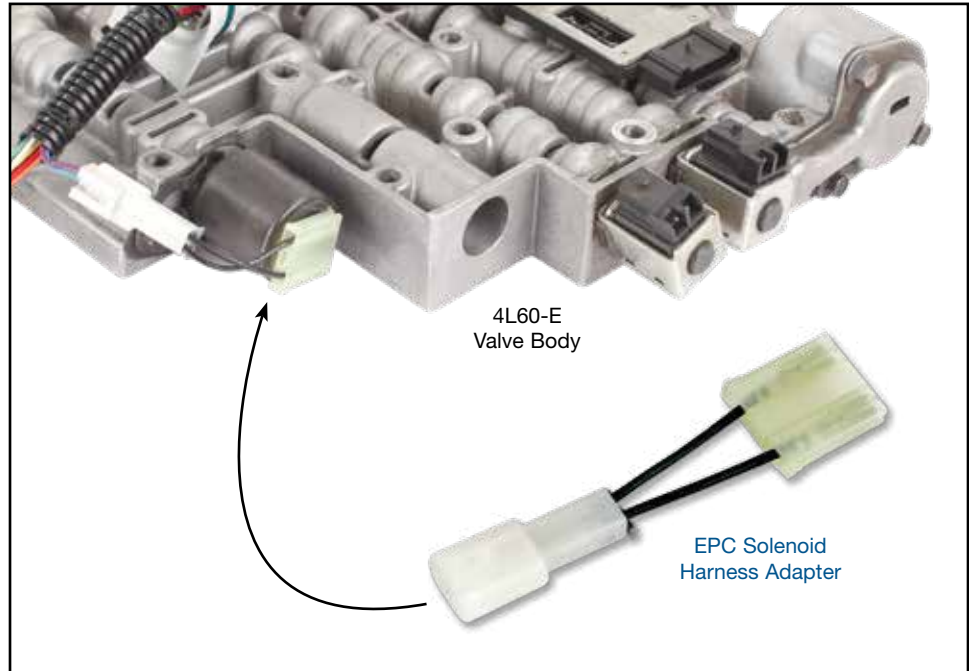

Part No.

34435-01K

NOTE: For use with early-style ('92-'02) EPC solenoid in late-style ('03-later) units. Solenoid not included.

GM 4L60-E, 4L65-E, 4L70-E, 4L80-E, 4L85-E

1. Disassembly

- Unplug wiring harness from EPC solenoid
- Remove OE solenoid retaining clip, set aside for reuse.
- Remove and discard late-style EPC solenoid.

2. Installation & Assembly

- Install early-style ('92-'02) EPC solenoid and secure with OE retaining clip.
- Install Sonnax harness adapter between solenoid and wiring harness.
